CITY OF DETROIT, MICHIGAN

Case No. 13-53846

Debtor.

Hon. Steven W. Rhodes

MOTION REQUESTING TO PARTICIPATE IN CONFIRMATION HEARING

The forecasted 10-year financial projections is highly dependent upon the receipt of an increased State revenue sharing that was withheld for several years, increased tax revenue, unreasonably increased departmental revenue initiatives. Even with all of the unreasonable increases, the 10-year financial projections will not provide enough monies to invest in the improvement of City of Detroit Services, such as transportation. Hence, plan of readjustment should be rejected.

Witness presented: Ida Byrd-Hill, James Mitchell

Witnesses Sought to Question: Kevyn Orr, City of Detroit Budget representative, Dan Dirks

Subject Matter: Ten year Financial revenue projections unrealistic to cover needed City Services

Time Duration: 4 hours

Evidence:

- New Detroit Report highlighting necessity of Transit service
